Summary

Our final league match of the season was a much rearranged U16 boys' A team one at home to Mayflower. The result was a 72-100 loss.

National Tournaments

James Buffham entered the Hampshire U16 Open event in Winchester this weekend. He progressed to the quarter-finals of the boys' singles and the semi-finals of the boys' doubles.

Michael Daw and Edward Thomas both entered the Warwickshire All-Stars U14 tournament on Saturday. They both got to the quarter-finals of the boys' singles and together they won the boys' doubles.

County Events

Last weekend (6 May) Georgia Flatman played for Surrey in the regional round of the U11 Singles Team Challenge at Slough.

News of Past Swifts

Helen Steer (still an occasional coach at Swifts) has been nominated as the Third Team Player of the Year for her performances in the Hertfordshire 3rd team this season.

End of Season

This Saturday was the final club session of the season.

During the summer you will receive notification of the dates for next season and you can always check the website.

However there are still one or two important tournaments to come and there might well be another edition of this newsletter.

By now, hopefully, you will all have responded to Christine Meades about your intentions for membership next season. If not, do so very quickly because we have a waiting list and no response may well mean no membership!
