Summary

The first week back after the Christmas break brought a rash of match postponements. The U15 boys' match against Moles and the U15 mixed match against Wimbledon were both called off at short notice. Next week's U10 match against Mayflower is also cancelled.

The U16 mixed A team managed a 96-93 win in a very close match at home to Yeomans Bridge A.

The U14 mixed B team also played against Yeomans Bridge at home and won by 101-84.

The U14 boys C team, away to Yateley Hawks C team, won easily by 105-55.

Rebekah Flatman deserves a special mention for playing in two matches simultaneously—the U14 mixed and the U16 mixed.

National Tournaments

An astonishingly large number of members (sixteen in all—a huge proportion of the membership— all of them Surrey or Berkshire county squad members) were involved in the BADMINTON England U17, U15 and U13 events at High Wycombe and Burgess Hill this weekend.

It is pretty certain that this must be a record number of Swifts players entered into national graded tournaments in one weekend (and maybe for any club anywhere—who knows?).

Michael Daw and Edward Thomas started the year off with a bang by winning the boys' U15 Silver doubles at Burgess Hill.

New member, Jack Kinmond (a warm welcome to him), won the U13 boys' singles Silver event at Burgess Hill—and went on to win the Silver doubles too! He is the second member to achieve the feat this season.

Such is the strength of these tournaments that none of the others managed to get out of their group but most of them had some success. One boy beat a current international at his age group, took a game off another and still only finished second in his group, while another member came second in his singles group to the tournament winner.

Gilly Thomas was particularly unlucky. She won her first singles match (against the girl who won the group) and then had to pull out because of the arm she injured playing netball at school.

Let that be a lesson to the rest of you—netball is a very dangerous sport!
