Match summary

In order to conform to the time-honoured tradition, we had no matches this week so that all members could concentrate on the Christmas party. Our next matches, and club sessions, are on 8 January.

Swifts' Christmas party

Unfortunately, the weather conspired against us this year and only about a quarter of the people expected were able to attend the part. However, an exciting fun team tournament was held in which all ages (8 to 19) played together, and in which the overall result rested on the final round of games. By a mere 13 points (390 to 403) the X team of Hannah, Johnny, Shannon, Zoe, Henry, Ben, Lucas, Kaman, Max, Daniel and Lee emerged as the winners.

Special mention should be made of the following who made extra special efforts to dress up: Samara and Daniel (Santas both), Zoe (tree decoration), Max the elf, Hannah the angel and Ben the Christmas tree.

The Swifts Christmas party 2010

County representation

Last Sunday, Georgia Flatman played for the Surrey U17 team that defeated Oxfordshire in the Shires League.
