Club handicap tournament

You'll find details of the club's first tournament of the season attached to the same email as this newsletter. Please return the form to me or to Swifts as soon as possible. This event is intended to give everyone, of whatever ability, useful tournament experience so we hope everyone will enter—even complete beginners.

Playing in matches

Team managers will contact parents via email or phone regarding playing in matches. If a parent wishes, the team manager to copy their child, then this is possible (upon request). However, when confirming a team we must have the parent's consent (with full knowledge of dates and times) for the player to take part—after all the parent is responsible for getting the player to and from the venue. This also keeps parents in the loop with regard to Swifts activities.

Another ACDBL presentation

The ACDBL trophies for the younger age groups were presented to the members who played in the relevant team last season on Saturday., as pictured above
