Match summary

The U16 mixed friendly match at home to Eagles was cancelled so we organised an U18 mixed X v Y match instead. The result was a close-fought draw.

In the ACDBL on Saturday we had three matches at home to Mayflower.

The U12 boys won by 199-123. The team still has three matches to play and needs to win them all if it is to stand a chance of winning the division. This is a close one.

The U14 boys' A team won 200-142 and clinched an unblemished season—18 points out of a possible 18.

The U16 boys' A team is also on track for a perfect season and enhanced its chances with one match to go by winning 210-127. This team has lost only three games out of 70 so far.

Visit of Carl Baxter

As you all know, Carl Baxter, England number 2 singles player, joined us as a guest coach on Saturday. He was impressed by the club and its players, and enjoyed the sessions. Group photographs can be found later in the newsletter, and we hope an article will appear in the local paper.

Still looking for racquets

We would like to hold a small stock of old racquets that can be lent to new players and to players that forget or break theirs during club sessions or matches. If you have an old racquet you no longer want that you would like to donate to Swifts for this purpose please bring it in and hand it to the duty manager or coaches.
