Match summary

We continued with Swifts A v B matches, in the ACDBL, again this week

The U14 mixed A team defeated the B team by 161-98.

The U16 girls' A team beat the B team by 198-133.

The U16 boys' A team beat the B team by 202-177.

Club handicap tournament

Please keep the responses about the club handicap tournament on 9 & 16 October coming in. The earlier, the better.

Badminton ladder

Always seeking to find ways to improve the club and give the members better opportunities for development, we are planning to introduce a badminton ladder competition this year, complete with trophies.

The idea is that members will be able to come along to play on courts specifically set aside for ladder matches at 1pm on Saturdays and challenge those above them in the ladder. The winner moves up the ladder, the loser moves down and the person at the top of the ladder at the end of the season wins the trophy. We'll have separate ladders for the different ability levels, of course, and the better players will have to start at the bottom of the ladder.

Initially, we will start with a singles ladder but we expect to move on to a doubles ladder as well so start thinking about partnerships.

The first such session will be on 16 October, after the club tournament has finished, and there is expected to be some space available on 23 October.

As this is an experiment for this season, it has been decided to make no charge for this season. This may change for the future.

Welcome to new members

Please join me in welcoming new members Wai Hau Fun and Craig Currie and the returning James Brown (all U14) to Swifts.
