## Match summary

We had two more Swifts A v B fixtures this third weekend of the season.

The U10 A team comfortably defeated the B team by 168-89.

The u14 girls' A team beat the B team by 110-94.

Both matches suffered from missing players. The girls couldn't raise two full teams and had to play three-a-side, while the U10s suffered from our first player of the season who agreed to play but didn't turn up to play. Let's hope we don't get too many of these or my keyboard will break under the strain of typing rants.

## National representation

I am speculating that Swifts is the only club in the country with a member selected to represent England in each of two age groups of the Danish Cup (to be played in Denmark, of course). Ollie Thompson will play in the U15s while Samodani Wijetunge will play in the U13s.

They follow a tradition of Swifts players being selected for this event as I am aware of at least three other members who have previously been selected.

## Club tournament

A reminder about the club tournament, since I am missing a lot of responses. Please reply by Saturday at the latest.

Accompanying this newsletter is information about the first of our club tournaments, to be played on 8 and 15 October instead of the normal club sessions. Entrants should arrive at 8:45am no matter what their session time normally is, unless notified otherwise. Non-entrants, of course should not arrive at all. We hope everyone—even beginners and new members—will play. Singles will be played on 8 October, doubles on 15 October. Age groups are U10, U13, U15, U18.

## National circuit news

Ollie Thompson played in the BE U15 Gold JC at Harlow at the weekend. He reached was runner-up in the doubles and reached the quarter-final of the singles.
