Local tournaments

Jessica Mallet, Harry Owens and Connor Strudwick got together with another friend and entered and won an U15 team doubles tournament held at the Dome in Hounslow on 13 July.

Free tickets for London Grand Prix

As a Premier Club, Swifts has applied for and been allocated lots of free tickets for the London Grand Prix, being held at the Copperbox in the Olympic Park at the beginning of October. We have tickets for each of the first three days of the tournament. All recipients of this newsletter are eligible to ask for tickets, the details of which are as follows:

Tuesday 1 October	10am-10pm	20 available
Wednesday 2 October	11am-10pm	20 available
Thursday 3 October	2pm-9pm	20 available

Full details of the event can be found at www.londongrandprixgold.co.uk

If you would like tickets please contact Cliff Buffham by email to stake your claim, stating how many you would like and the day you are interested in, with alternatives if possible. In the unlikely event they are over-subscribed we will establish a rationing system (not necessarily first come, first served). The tickets should be delivered in mid-September.
