Match summary

This week saw two matches played.

The U10s played an internal Swifts X v Swifts Y match, with the X team winning 123-112.

The U12 mixed A team defeated the mixed B team in the ACDBL, by 168-88.

Membership forms

Please remember that all membership forms and fees should be handed in or sent to Jo Tinslay by this Saturday 24 September at the latest.

At the last count around thirty members had not yet done so.

Club handicap tournament entries

With the last entry date only four days away it is disappointing to have to report that only about a third of members have either entered or replied to say they won't be playing. We need a response from everyone please, by this weekend.

Remember, we want even the very youngest beginners to enter. This is part of your development as a player, and you will be handicapped according to your ability or placed in a special beginners' group. And ours is the only doubles tournament in the world that has people playing in the doubles section without a partner.

I know that some of you have been heard to say that you always wait for a reminder before responding to requests for entries or information - but be warned! The new 2012-13 strategy on reminders means that people known to deliberately hold back won't receive as many, if any, this year.

Berkshire tournament results

Harry Owens played in the Berkshire U13 restricted championship last Saturday and reached the semi-final of the boys' singles event.
