Match summary

First a correction: Ben Coker played in the U16 boys team that defeated Clandon last week, not Ben Cullen. My apologies to both. The correct details are given in this newsletter.

Unfortunately there are no more results to report as the whole match programme was called off this weekend because of the bad weather.

County representation

Despite the snow, Surrey managed to get an U17 team to York on Friday evening where it took part in a weekend-long eight-team county invitational tournament called the RIO. Ollie Thompson and Samodani Wijetunge were both members of the team, which finished as runner-up in the event.
