Welcome to new members

We have been recruiting actively for the new season, having established how many current members are not renewing or couldn't be bothered to tell us, and are trying to clear the waiting list. We extend a warm welcome to:

Peter Beech, Harry Bloomfield, Jonathan Chong, Ben Ford, Nathan Gibson, Megan Hatcher, Alanah Jolly, Dominic Leckie, Matthew Lister, Devashri Moodley, Jack O'Hara, Neve O'Hara, Ryan O'Hara and Daniel Roach.

There are still people on the waiting list who will receive trials over the next few weeks, though pressure on places in some sessions is such that it is quite likely that not all of them can be accommodated.

Surrey Youth Games

Further to last week's report of the activities of our members in the Surrey Heath and Woking teams, it turns out that we had representation in the Spelthorne team too. Connor Strudwick played singles throughout and won all his games, but wasn't able to ensure that his team reached the latter stages of the tournament.
