BE schedule for 2014-15

Our stronger players will be keen to know that the BE website now has full details of all the national circuit tournaments for the coming season. All grades from Bronze to Gold (and Gold Star singles) and all age groups from U11 to U19 are covered.

Tournament success

Harry Owens and Connor Strudwick both played in a local league U15 tournament in Tunbridge Wells, Kent in late July. Playing as a pair they won the boys' doubles event and then went on to cap an excellent day by contesting an all-Swifts final in the boys' singles event, with Harry winning 21-18.

New members

We extend a warm welcome to another group of new members. They are Olivia Adcock (U12), Jack Blackman (U8), Jadyn Dundas (U9), Anish Goel (U12), Greg Laurence (U13), Sophie Mercure (U14), Jed Shrewsbury (U16) and Mide Williams (U10). All are beginners except Anish, Greg and Jed who are in the junior session, and Sophie who is in the intermediate session.
