Surrey tournament results

Last week's news from the SSBA tournaments was incomplete, partly for reasons of my incompetence, for which I apologise.

Sam Williams was runner-up in the boys' U16 A grade boys' singles.

Soon Hau Fun won the U16 boys' B grade singles.

It was also incomplete as some successful players hadn't told me about their good news, but fortunately the news has now reached me and I can pass it on. Remember, if you don't tell me I probably won't know—don't rely on others to tell me.

Jodie Teale was runner-up in the U16 grade A girls' singles.

Imogen Galvin won the U16 girls' grade B singles, with Elena Koutas as runner-up.

Peter Beech reached the semi-final of the U16 grade B.

Thomas Chan & Luc Freaan reached the semi-final of the U14 boys' B grade doubles event.

Neeve Galvin & Rebecca Sproston reached the semi-final of the U14 girls' B grade doubles event.
