National circuit results

It may have been the holiday season but our members have been busy on the badminton court anyway.

Will Manners played in the adult Kent senior Bronze tournament on Sunday and reached the final of the men's doubles. He was delighted to find that this involved £10 prize money, though I can't help wondering who paid the original entry fee, Will or his parents, and who benefitted from the prize money.

Stephanie and Nicholas Pipe both played in the BE U17 Essex Silver JC on Saturday. Stephanie was runner-up in the girls' singles and won the girls' doubles event, while Nick reached the boys' doubles final.

Smrithi Shirol played in the BE U11 Silver Essex JC on Sunday and reached the semi-final of the girls' doubles.

County representation

Smrithi Shirol, who is U11, played for the Surrey U13 2nd team against Sussex in the Shires League on Saturday (and Surrey won).

Local tournaments

Jason Fisher played in the Battledore club's junior open singles tournament for non-county players in High Wycombe on Saturday—and won the boys' U18 event!

William Salt played in the U12 age group and also won, so it was a good event for our members.
