## Surrey South Plus JBL

There were no ACDBL matches this weekend but we entered six teams (two in each of the three age groups) in the Surrey South Plus league, which is our regional qualifying competition for the national Junior Badminton League.

Sixteen teams from across three counties were in contention and the winning team in each age group will represent the region in the NJBL national finals in Milton Keynes in May. This was the first of two weekends of competition, the second being at the end of April.

The full details can be seen later in the newsletter but the headlines are that two of our teams (the U12 and U16 A teams) are sitting at the top of their sections after this weekend and our U14 A team is in third place in its section. There is still plenty to play for!

Our six teams involved a total of thirty Swifts members: as a club we have the twin aims of overall success for the A teams and the opportunity for valuable development experience for the B team members. And fun for all, of course.

On this occasion Horsell's usual strength was blunted by illness, with many players having to withdraw and at least one girl playing despite not feeling at her best. Horsell's U12 team had to be supplemented by an overage player to enable it to compete at all. We can expect Horsell to be significantly stronger in April.

Newcomers Berkshire were very strong and presented a serious challenge to Swifts, and especially so in the U14 competition where they lead at the halfway stage.

The undoubted team of the day was Swifts' U12 A team which conceded no rubbers at all and thus won all its matches 5-0, though the match against Berkshire involved three rubbers that went to a deciding third game.
