## Summary

Unfortunately, our final match of the season (U16 mixed away to Carshalton in the Surrey League), scheduled for Sunday, had to be cancelled because we couldn't find enough players.

## National circuit events

A few Swifts members attended the U12 Warwickshire Open tournament this Saturday. Stirling Burrow won his group and progressed to the knockout stage of the boys' singles, while Ollie Thompson had a field day, progressing to the semi-final of the doubles and finishing as runner-up of the singles.

## Club team tournament

This Sunday saw the second weekend of the SSBA club team tournament. This time it was the turn of the stronger players—the only restrictions were that no team can have more than one grade 1 player (which caused us problems because we had to place two grade 1 players in our B teams). Obviously, this means that the competition is of an extremely high standard; most clubs have mainly county players in their teams.

We always try to enter a team that has a good chance of winning the event in its age group and a B team to make sure that as many players as possible get the opportunity to sample this kind of tournament.

It has to be said that the Swifts teams emerged triumphant, with our A teams winning all three age groups while our U13 B team finishing second and our U15 B team finishing third.

The badminton was exciting and close, and our players really had to be on their mettle to succeed as well as they did.

Detailed results (and photographs of the medallists) can be found in this newsletter.
