Summary

Saturday was the final day of the ACDBL season for Swifts, and one match in particular was very important. The Yeomans Bridge v Swifts A U16 boys' match would decide the division, with Yeomans Bridge needing to win by 72 points to snatch the divisional title from under the noses of the unbeaten Swifts boys. The boys didn't let Swifts down, though, emerging as victors by 84 points—the score was 210-126.

Three other ACDBL matches were also played away at Yeomans Bridge on Saturday. These involved the U12, U14 and U16 mixed B teams.

The U12 mixed B team won by 159-115.

The U14 mixed B team also won, by the even bigger margin of 166-111.

The U16 mixed B team lost, by 110-159.

The U10s played a friendly at home to Yateley Hawks and won by 161-128.

On Sunday the U12 unisex team played away to Albury and won 7-3.

New members

We welcome two new members, Robert Adams and Carla Pinto, who have both joined us in the last two weeks.

ACDBL league tables

Along with this newsletter come the latest ACDBL league tables, which show that seven of the ten divisions have been won by Swifts teams this season—everything except the three U12 divisions. Four of our teams in this league have 100% records, and a further four teams have finished in second place; one of those could still finish top (though this seems unlikely).

I'll update you with Surrey League information when I can—the tables on the Surrey website are definitely inaccurate, though.
