Match summary

At this time of the season our matches are generally all Swifts A v Swifts B where our teams are in the same division of the ACDBL This week it was the turn of the girls' U14 and U16 squad.

The girls U14 A team defeated the B team by 201-39.

It was difficult to get together a girls' U16 B team and some squad members didn't respond to the team manager's repeated requests. This is unacceptable; **please respond to team managers promptly—they are working on your behalf.** Consequently, the B team was largely made up of players from the U14 A team. However, one U16 A team member was unable to finish the match and three of her rubbers had to be conceded. Consequently, the U16 girls' B team won by 182-131, leaving the A team with a bit of a hill to climb if they are to win the league.

National circuit

Samodani Wijetunge continued her successful start to the season when she played in the BE U13 Gold JC in Cheltenham. She won the girls' singles and was runner-up in both the level doubles and the mixed events.

New members

We welcome lots of new members this week; over twenty in all. Some of these joined during the summer while others have joined after attending a trial session in the last couple of weeks. There are too many to mention individually, so a warm welcome to all of you!
