The U16 mixed A team played away to Mayflower and won by an unfortunate 210-20 scoreline.

In the Surrey League, the U12 unisex team played at home to Moles and lost 3-7.

The U18 mixed team played at home to Ebbisham and lost 1-7, though the games were mainly extremely close.

Local tournaments

The ACDBL singles tournament brought great success among thirty or so Swifts members who entered. In fact, our members won all but one of the ten events.

The U12 boys' A grade was won by Sam Williams, and brother Harry Williams was runner-up. The B section was won by Harry Owens. Imogen Galvin won the U12 girls' event, with Serena Farrelly runner-up and Jenna Biddle third.

The U14 boys' A grade was won by Euan Farrow, with Jake Handley in second place. The U14 girls' event was won by Holly Weston.

Josh Surplice won the U16 boys A grade event while Polly Thisdell won the girls' U16 event, with Pascale Pumphrey in second place. The boys' B grade was won by Jake Handley.

For the first time ever there was an U18 age group. Polly Thisdell completed a double by winning the girls' event, with Pascale Pumphrey again runner-up.

Jason Hau won the U18 boys' event, with Josh Surplice in second place.

National circuit tournaments

William Manners played in the BE U15 Silver JC at Bournemouth last weekend and reached the semi-final of the boys' doubles event. Playing with Stephanie Pipe, he reached the semi-final of the mixed doubles as well.

Nicholas Pipe reached the final of the boys' doubles in the BE U13 Hampshire Silver JC over half term.

County representation

Harry Williams played for Surrey U11s last weekend.

Nick Pipe, Sam Williams & Nathaniel Brittany all represented Surrey U15s in a triangular friendly against Sussex and Kent—and Surrey won—last Saturday (18 February)

Stephanie Pipe and Will Manners both played in the Surrey U15 second team that drew 10-10 against Sussex under 15s.

National gradings

The national junior grades were updated by Badminton England this week. The following Swifts members are graded:

U17 grade 1 - Ollie Thompson

U17 grade 3 - Polly Thisdell, Jason Hau, Jonathan Hau, Jack Wills

U15 grade 1 - Ollie Thompson, Samodani Wijetunge

U15 grade 2 - Stirling Burrow, William Manners, Stephanie Pipe, Euan Farrow

U13 grade 1 - Samodani Wijetunge

U13 grade 2 - Nicholas Pipe

U13 grade 3 - Sam Williams

Congratulations to all of them.

ACDBL league situation

Teams that can win their divisions are in **green**. Those that have already done so are in **blue**. Teams in **red** can win their division but have to rely on their rivals dropping points against other clubs. Remember, three league points are available for each match: two go to the winner and one to the loser unless the win is by 30 game points or more in which case the winner takes all three and the loser gets zero. The league website gives full details at www.acdbl.co.uk.

U10s

The **A team** requires at least one league point in its two remaining matches against Streetswater to win the division. The B team can avoid the wooden spoon by winning its last two matches. It has a good chance of finishing second if it does keep winning and if the A team keeps winning by large margins.

U12s

The **boys** need wins against both Mayflower and Clandon, and hope Mayflower drop further points.

The **girls** have won the division already, with a match still to play.

The **mixed A team** is guaranteed to win its division after this weekend's matches and has two matches left to play. The **mixed B team** needs one more point from two remaining matches to clinch division 2.

U14s

The **boys' A team** is in a two-horse race against unbeaten Clandon with half the matches remaining.

The **boys' B team** has one match left to play against its closest rivals – Streetswater – and a win would clinch the second division.

The **girls' A team** clinched the division this weekend, when Horsell failed to turn up for the scheduled match, and has two matches left to play. The B team has to beat Horsell, and then hope everyone else does too, in order to avoid the wooden spoon.

The **mixed A team** has finished its season, unbeaten, and won the division. The mixed B team has three matches left against the three weakest teams so has a chance to finish third.

U16s

The **boys' A team** has a match left but has already won its division.

The **B team** has matches against the two weakest teams but needs to win them and hope Ace drop points in order to win the second division.

The **girls' A team** can afford a narrow defeat against Bourne (the only other team that can also win) to clinch the division after this weekend's win at Eagles. Even that may not be necessary as Bourne has two matches to play before that match is scheduled and cannot afford to drop points.

The **mixed A team** has three matches left and requires three more league points overall to win the division. The B team can still finish third if it keeps winning.

U18s

The **boys** have played 3, won 3, but can't definitively claim victory until they have taken at least one further league point off Ace in the final match.
