Match summary

This was the final weekend of the competitive season for Swifts, though there are still some matches to be played by other clubs and consequently two Surrey League divisions are not yet finally decided. All the matches we played this week were in the ACDBL.

The U14 mixed team played away to Ace and won 168-80.

The U16 girls played at home to Mayflower needing a win by 21 points or more to overtake Mayflower and win the division. This they duly achieved by winning 210-70.

The U12 girls played away to Mayflower and won 210-115.

The U16 boys' B team played away to Yateley Hawks B and won 210-118. By doing so the team has won the U16 boys' second division.

This takes our tally in the ACDBL to an astonishing and unprecedented fifteen divisions out of the seventeen entered. The teams that were the only Swifts team in their divisions and didn't win were both B teams and both finished second, as did another B team that was in the same division as the A team. Swifts A teams have lost only two matches between them this season. One even turned up a man short and still won the match (and shame on the boy who failed to turn up).

Swifts teams have won three out of the five Surrey League divisions decided so far and we can potentially win two more.
