Match summary

We had an U14 boys' B match at Spelthorne Spartans two weeks ago and the score is now in; we lost by 156-202.

Another new member

We extend a warm welcome to Leah Naish, an U8 beginner who has just joined us. We now have thirteen U10 girls—a truly astonishing number and probably more than all the other clubs put together. In fact we now have twelve members (boys and girls) who are U8 or younger, which is probably even more amazing and bodes very well for the future.

County representation

Stirling Burrow, Stephanie Pipe and Samodani Wijetunge were all in the Surrey U17 team that finished third in the ICT tournament last week.
