## Match summary

The league season finally started on Saturday when the U12 mixed A team played at home to the Swifts B team in the ACDBL and won by 168-46.

Eight of our U13 beginners played an internal match on Saturday (Swifts X v Swifts Y) when the competition was tight in the extreme and the Y team won by the narrow margin of 129-121.

## New members

A warm welcome goes out to our latest recruits, brothers Bradley Mayuga (U11) and Isaac Mayuga (U12). Both of them will be in our improvers section.

## Surrey Smashers

As you can see from the picture below, quite a large number of Swifts members were able to train with the Surrey Smashers at the weekend.
