Another new member

We extend a warm welcome to Emma Ranson (U7), twin sister of existing member Holly. She will start off in the beginners' session.

Christmas party

On the following pages you will find pictures taken at the party, showing the costumes worn by members and coaches.

For the boy who chose not to attend because he didn't think there would be anyone there of his age: there were **lots** of people there of **all** ages from six to eighteen (and, of course, the coaches were, in some cases, a little bit older).

I'm sorry that one or two photos appear to have been taken by a drunken reindeer. I'm assured that the reindeer was stone cold sober but had gorged itself on chocolate cakes.

Many thanks to those parents who went to the trouble of providing home-made food (including said chocolate cakes). It was much appreciated.
