## **Our club's greatest week!**

Apologies in advance for the uncharacteristic tone of triumph that may creep into this edition of the newsletter. You'll soon understand why.

The 2015-16 National Junior League, launched in September, has involved over 275 teams and 1,500 players from schools, junior clubs and youth associations all over England who competed in seventeen regional qualifying competitions and endeavoured to reach the national finals.

By winning all three age groups of the Surrey South Plus League, Swifts gained the right to send a team in each to compete in the national finals weekend which was held at the National Badminton Centre in Milton Kevnes this weekend. 11 & 12 June.

Not all qualifying competitions had three age groups and not all qualifiers were able to send a team to the finals day for some reason, so twenty teams took part, three of which were from Swifts. They came from as far afield as Haltwhistle and Durham in the north, Devonport in the south, Lancashire in the west, Lincolnshire in the east (including my old school, it seems) and Stoke in the middle of the country (the land of Christine Thompson's schooldays).

On Saturday the U12s were involved in a competition against five other teams and, by winning all their group games and the final (against High Wycombe), won the competition undefeated. They played 30 rubbers in six matches in total, and lost only three of them.

So, big congratulations to Lila Dundas (who is actually U10), Dominic Nabasa, Hayden Mitchell, Daisy Murphy and Jacob Sheffield.

On the same day our U16s, who had lost all the eligible U16 boys (one to

injury and two to GCSEs) were playing with two boys co-opted from our eligible U14s, also in a six team initial group.

They too finished the group phase undefeated, and swept to a 4-1 victory in the final against Lincolnshire's Kestevens Superzone. In six matches they won 25 and lost only five rubbers.

Congratulations are due to the U16 players Lucy Bezants, Christopher Chong & Ollie Dunford (U14s both), Imogen Galvin and Alice Sutton who showed great spirit by supporting the U12s.

Sunday was the turn of the U14s. This event had eight competing teams and Swifts was drawn in what proved to be the strongest group, from which emerged four of the five highest-placed teams. Undaunted (though with two of the boys maybe just a little tired after Saturday's efforts in the U16 event), our players won their group, swept aside the runners-up from the second group in the semi-final and then had a fine 4-1 win against the other group winners, Corsham from Wiltshire. Again, all matches were won, with only four rubbers lost out of 25 played.

Congratulations, then, to Amy Chapman, Christopher Chong, Ollie Dunford, Neeve Galvin and Anish Goel. Like all the members of the U12 and U16 teams, they showed great team spirit.

The teams between them lost only four live rubbers during the entire weekend. Pictures and detailed results from this amazing weekend can be found on the following pages.

Badminton Olympian Gail Emms was on hand to present the trophies and to sign autographs, be photographed with and chat to the players, so it was quite a day out for those involved.

To manage to qualify three teams for the finals day was a notable achievement for the club as the regional competition, held in Epsom, was stiff. To win against the other qualifiers in any age group would have been marvellous, but to win all three age groups in the inaugural national finals is truly astonishing and really puts the club on the map nationally. Coaches from all around the country have gone home speaking about how they aspire to our standards.

All our members and friends should be very proud of this achievement, especially the players concerned and their parents who supported them to the hilt. It reflects well on all aspects of the club including its organisation, its coaches, its competition programme and its members.

One person who I know is rightly very proud of the achievement is Christine Thompson, our chairman, who went above and beyond the call of duty to attend both days at Milton Keynes, acting as squad supremo, advising the team managers, managing the U16s, managing the shirts, scouting the opposition, coaching and cheering on the players, correcting the opposition's line calls and reporting on progress to those of us back at base. She was very ably assisted by team managers Surya Handayani (U12s) and Phil Chapman (U14s). Thanks and congratulations to all three, and to the other very knowledgeable, active and helpful parents who scouted the opposition very competently to aid in selection and deployment decisions.
